2202 – Basis for Claims Management Expenses

The costs of administering claims are specifically identified within the Company's costing system and these, together with the appropriate share of support costs, make up the claims handling costs stated in the Return. Claims handling expenses are carried forward based on an estimate of the likely costs to be incurred in settling all outstanding claims. No provision is made for the cost of settling claims on proportional and non proportional treaty reinsurance business, as these costs are incurred by the reinsured.

2204 – Acquisition Costs

The costs of acquiring business are specifically identified within the Company's costing system and these, together with the appropriate share of support costs, make up the non-commission acquisition costs stated in the Return. 2205 – Unexpired Risk Reserve

In setting an unexpired risk reserve the Company offsets surpluses in one class of business against deficits in other classes within the same business segment on the grounds that all business classes within each business segment are managed together. a) The following guidelines govern the use by the Company of derivative contracts:

Agreement is required from the Investment Committee for any direct exposure to derivatives,

The use of derivatives is permitted as and when required (e.g. to help protect the Company's solvency position) and the need for this is determined from time to time by the Investment Manager in liaison with the Funds Management Committee and other appropriate individuals,

The responsibility for the administration of the investments lies with the Finance Department so as, amongst other things, to ensure that the use of derivatives is monitored independently and any unauthorised use is immediately recognised,

All margin payments are required to be authorised by the Finance Department,

At all times the distribution of assets must be within the ranges specified in the investment policy when derivatives are taken into account. For forward contracts the test is on the basis that the contracts are settled. For option contracts the test must be satisfied both assuming that the option is exercised and that the option is not exercised,

The liabilities associated with certain derivatives based products are backed by deposits, the values of which are based on the movements in the FTSE 100 Share index. The value of these deposits is guaranteed not to fall below a given level either at maturity or at certain dates during their terms. The Company has counterparty risk only. Counterparties are required to be rated at least AA for long-term deposits in accordance with the requirements of our ultimate holding company.

b) The Company's investment guidelines, as noted above, allow, amongst other things, for the use of derivatives in order to protect the Company's solvency position. Such contracts may involve rights or obligations to acquire or dispose of assets which were not, at the time the contract was entered into, reasonably likely to be exercised. All derivative contracts were entered into for hedging purposes. The expectation was, at the point of being taken out, that they were not likely to be exercised, namely that the markets would not fall below levels specified in the contracts.

c) There are no derivative contracts outstanding at 31 December 2009.

Report of the auditors to the directors pursuant to Rule 9.35 of the Interim Prudential Sourcebook for Insurers

We have examined the following documents prepared by the company pursuant to the Accounts and Statements Rules set out in part I and part IV of chapter 9 of IPRU(INS) the Interim Prudential Sourcebook for Insurers, GENPRU, the General Prudential Sourcebook and INSPRU the Prudential Sourcebook for Insurers, ("the Rules") made by the Financial Services Authority under section 138 of the Financial Services and Markets Act 2000:

- Forms 1, 3, 11 to 13, 15, 16, 20A, 20 to 23, 31, 32, 37 and 38 (including the supplementary notes) on pages 3 to 59 ("the Forms"); and
- the statements required by IPRU(INS) rules 9.25, 9.26, 9.27 on pages 60 to 62, and rule 9.29 on page 71 ("the Statements").

We are not required to examine and do not express an opinion on:

- the statements required by IPRU(INS) rules 9.32 and 9.32A on pages 63 to 70 and rule 9.30 on page 72; and
- the directors' certificate required by IPRU(INS) rule 9.34 on page 73 ("the directors' certificate").

Our report is provided to the directors of Churchill Insurance Company Limited in accordance with rule 9.35 of the Interim Prudential Sourcebook for Insurers. We acknowledge that our report will be provided to the FSA for the use of the FSA solely for the purposes set down by statute and the FSA's rules. Our work has been undertaken so that we might state to the company's directors those matters we are required to state to them in an auditors' report on an annual FSA return for an insurer and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the FSA, and the company, for our work, for this report, or for the opinions we have formed.

Respective responsibilities of the company and its auditors

The company is responsible for the preparation of an annual return (including the Forms, the Statements, the statements not examined by us and the directors' certificate) under the provisions of the Rules. The requirements of the Rules have been modified by a waiver issued under section 148 of the Financial Services and Markets Act 2000 on 16 June 2009. Under IPRU(INS) rule 9.11 the Forms, the Statements, the statements not examined by us and the directors' certificate are required to be prepared in the manner specified by the Rules and to state fairly the information provided on the basis required by the Rules.

It is our responsibility to form an independent opinion as to whether the Forms and the Statements meet these requirements, and to report our opinions to you. We also report to you if, in our opinion, the company has not kept proper accounting records or we have not received all the information we require for our examination.

AUDITORS' REPORT continued

Basis of opinion

We conducted our work in accordance with Practice Note 20 'The audit of insurers in the United Kingdom (Revised)' issued by the Auditing Practices Board. Our work included examination, on a test basis, of evidence relevant to the amounts and disclosures in the Forms and the Statements. The evidence included that previously obtained by us relating to the audit of the financial statements of the company for the financial year. It also included an assessment of the significant estimates and judgements made by the company in the preparation of the Forms and the Statements.

We planned and performed our work so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the Forms and the Statements are free from material misstatement, whether caused by fraud or other irregularity or error and comply with IPRU(INS) rule 9.11.

Opinion

In our opinion the Forms and the Statements fairly state the information provided on the basis required by the Rules as modified and have been properly prepared in accordance with the provisions of those Rules.
