Letter from the Chairman

1 April 2015

Dear Shareholder

Annual General Meeting ("AGM")

I am pleased to enclose the Notice of Meeting (the "Notice") for the 2015 AGM of Direct Line Insurance Group plc. The AGM will be held in the Auditorium, Allen & Overy LLP, One Bishops Square, London E1 6AD on Wednesday, 13 May 2015 at 11.00am. The AGM provides an opportunity for you to communicate with your Directors.

The Notice sets out the resolutions to be proposed, together with the explanatory and guidance notes for shareholders who wish to vote electronically or by post. Voting forms are also enclosed. If you have requested a printed copy of the Annual Report & Accounts, it has been included in this pack.

If you asked to receive the Annual Report & Accounts electronically or did not return the election card previously sent to you with your Welcome Pack on becoming a shareholder, please accept this letter as notification that the Company's 2014 Annual Report & Accounts have now been published on our website: ara2014.directlinegroup.com

Election and re-election of Directors

All of the Directors are standing for re-election at this year's AGM except for Sebastian James and Glyn Jones. Sebastian James was appointed as a Non-Executive Director in August 2014 and is standing for election at this year's AGM. Glyn Jones, Senior Independent Director ("SID") will not be standing for re-election as he is now chairman of two listed companies and has decided to reduce the number of his non-executive directorships. He will, therefore, resign from the Board of Directors at the conclusion of this year's AGM. Andrew Palmer, Independent Non-Executive Director and Chair of the Audit Committee, has agreed to act as the Company's SID while the search for a new Non-Executive Director is under way. He will accordingly be appointed as SID at the conclusion of this year's AGM and will also continue to chair the Audit Committee. Such changes are notwithstanding any indication to the contrary in the 2014 Annual Report & Accounts.

Final and second special interim dividends

Given the proximity of the 2014 final dividend to the expected special dividend relating to the sale of the International division, as an exception to the usual process the final dividend has been accelerated and the Board has resolved to pay it as an interim dividend. This should avoid potential delays in payment to shareholders which might arise from the sale of the International division. Consequently, no resolution relating to the approval of a final dividend for the year ended 31 December 2014 is being proposed at the 2015 AGM.

The business we shall consider at the AGM

The resolutions are standard matters that are normally dealt with at a listed company's AGM. If you are unable to attend the meeting, but have any questions on the business to be discussed, we would like to hear from you ahead of the meeting. Please send your questions to me, care of the Company Secretary at Direct Line Insurance Group plc, Churchill Court, Westmoreland Road, Bromley, BR1 1DP or by email to shareholderenquiries@directlinegroup.co.uk and a response will be provided as soon as possible.

Your vote counts

Your vote is important to us. You can vote by: submitting your proxy instruction online; signing and returning your proxy form; or by attending and voting at the AGM. Voting instructions are set out in the notes on pages 6 and 7. All resolutions will be put to a vote on a poll, rather than being decided by a show of hands. Your Directors believe that this will result in a more accurate reflection of the views of shareholders and ensure that their votes are recognised whether or not they are able to attend the meeting. On a poll, each shareholder has one vote for every share held.

The voting results will be announced to the London Stock Exchange and published on our website at www.directlinegroup.com/investors/regulatory-news shortly after the conclusion of the meeting.

Recommendation

Your Board believes the resolutions to be proposed at the AGM will promote the success of the Company and are in the best interests of the Company and shareholders as a whole. Your Board unanimously recommends you vote in favour of them, as your Directors intend to do in respect of their own beneficial shareholdings.

The Directors and I look forward to meeting as many of you as possible at our AGM and we thank you for your continued support.

General Notes

Appointment of proxy

- Members are entitled to appoint a proxy to exercise all or any of their rights to attend and to speak and vote on their behalf at the meeting. A shareholder may appoint more than one proxy in relation to the AGM, provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. A proxy form which may be used to make such appointment and give proxy instructions accompanies this notice. If you do not have a proxy form and believe that you should have one, or if you require additional forms, please contact the Company's Registrar on 0870 873 5880.
- To be valid, any proxy form or other instrument appointing a proxy must be received at the office of the Registrar or at the electronic address provided in Note 6, in each case no later than 11.00am on 11 May 2015.
- The return of a completed proxy form, other such instrument or any CREST Proxy Instruction (as described in Note 8 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so. You must inform the Company's Registrar in writing of any termination of the authority of a proxy.

Nominated persons

- Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 to enjoy information rights (a "Nominated Person") may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- The statement of the rights of shareholders in relation to the appointment of proxies in Notes 1 and 2 above does not apply to Nominated Persons. The rights described in these Notes can only be exercised by shareholders of the Company. Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investment in the Company.

Electronic submission of proxy form

- It is possible for you to submit your proxy votes via the internet. You can do so by visiting www.investorcentre.co.uk/eproxy. You will require the control number and your unique PIN and Shareholder Reference Number ("SRN"). This information can be found on your form of proxy, or if you receive communications from us electronically, voting information will be contained within your email broadcast.

CREST electronic proxy voting

- CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
- In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual (available via www.euroclear.com/CREST). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by Computershare (ID number 3RA50) by no later than 11.00am on 11 May 2015. For this purpose, the time of receipt will be taken to be the time (as determined by the time stamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors, or voting service providers should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
- The Company may treat a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 as invalid.

THE BUSINESS OF THE AGM – EXPLANATORY NOTES

Resolution 1 – Receipt of the report and accounts

The Directors must lay before the shareholders the reports and accounts of the Company for the financial year ended 31 December 2014, which include the strategic report and the reports of the Directors and the Auditor.

Resolution 2 – Approval of the Directors’ remuneration report

The Directors’ remuneration report has been prepared in accordance with the Companies Act 2006 (and Large and Medium-sized Companies and Groups (Accounts and Reports) (Amendment) Regulations 2013). The Directors’ remuneration report meets the requirements of the Listing Rules and describes how the Board has applied the principles of good governance relating to Directors’ remuneration. The report is set out in full on pages 71 to 93 of the 2014 Annual Report and Accounts. As required by the Companies Act 2006, an ordinary resolution to approve the report is proposed at the AGM. This vote is advisory and the Directors’ entitlement to receive remuneration is not conditional on it.

Resolutions 3 to 10 – Directors standing for election or re-election

The Company’s Articles require Directors to submit themselves for election or re-election at each AGM.

Sebastian James was appointed to the Board as a Non-Executive Director in August 2014 and will offer himself for election at this year’s AGM. The Board believes that Sebastian James should be elected because of his strategic and operational experience in the retail, consulting and insurance sectors and his profound knowledge of customer service in a digital retail market.

Mike Biggs, Paul Geddes, Jane Hanson, Andrew Palmer, John Reizenstein, Clare Thompson and Priscilla Vacassin are seeking re-election at this year’s AGM.

Following an evaluation, the Nomination Committee has determined that, with the exception of the Chairman (who was considered independent on appointment), each of the Non-Executive Directors is independent in character and judgement and free from relationships or circumstances likely to affect the Director’s judgement. The Board also considers that following a performance evaluation all the Directors standing for election or re-election continue to be effective and demonstrate the level of commitment required in connection with their role and the needs of the business.

Biographical details in support of each Director’s election or re-election are provided below.

Mike Biggs (62) joined the Board as Chairman in April 2012 and is also Chair of the Nomination Committee.

Resolution 13 – Authority to allot new shares

This resolution renews the authority that was given at the AGM on 15 May 2014. Paragraph i) a) of this resolution would give the Directors the authority to allot ordinary shares up to an aggregate nominal amount equal to £50,000,000. This amount represents one-third (33.33%) of the issued ordinary share capital of the Company as at 24 March 2015, the latest practicable date prior to publication of this Notice.

In line with guidance issued by The Investment Association, paragraph i) b) of this resolution would give the Directors the authority to allot ordinary shares in connection with a rights issue in favour of ordinary shareholders up to an aggregate nominal amount equal to £100,000,000, including within such limit the nominal amount of any shares issued under paragraph i) a) of this resolution. This amount represents two-thirds (66.67%) of the issued ordinary share capital of the Company as at 24 March 2015, the latest practicable date prior to publication of this Notice.

The authorities sought under this resolution will expire on the earlier of 30 June 2016 (the latest date by which the Company must hold an AGM in 2016) and the conclusion of the AGM of the Company held in 2016.

The Directors have no present intention to exercise either of the authorities sought under this resolution. As at the date of this Notice of AGM, no ordinary shares are held by the Company in treasury.

Resolution 14 – Authority to disapply pre-emption rights

This resolution renews the authority that was given at the AGM on 15 May 2014 and would give the Directors the authority to allot ordinary shares (or sell any ordinary shares which the Company elects to hold in treasury) for cash without first offering them to existing shareholders in proportion to their existing shareholdings.

Except as noted in the next paragraph, this authority would be

limited to allotments or sales in connection with pre-emptive offers or otherwise up to an aggregate nominal amount of £7,500,000. This aggregate nominal amount represents approximately 5% of the issued ordinary share capital of the Company as at 24 March 2015, the latest practicable date prior to publication of this Notice. In respect of this aggregate nominal amount, the Directors confirm their intention to follow the provisions of the Pre-Emption Group's Statement of Principles regarding cumulative use of authorities within a rolling 3-year period where the Principles provide that issues in excess of 7.5% should not take place without prior consultation with shareholders.

Allotments made under the authorisation in paragraph i) b) of resolution 13 would be limited to allotments by way of a rights issue only (subject to the right of the Directors to impose necessary or appropriate limitations to deal with, for example, fractional entitlements and regulatory matters).

This authority will expire at the earlier of 30 June 2016 (the last date by which the Company must hold an AGM in 2016) and the conclusion of the AGM of the Company held in 2016.

Resolution 15 – Authority to purchase own shares

This resolution renews the authority that was given at the AGM on 15 May 2014, permitting the Company to buy its own ordinary shares in the market. The maximum number of shares that can be bought under this authority must not exceed 10% of the issued ordinary shares of the Company as at 24 March 2015, the latest practicable date prior to publication of this Notice. The maximum price payable must not exceed the higher of 105% of the average of the middle market quotations for the ordinary shares of the Company, as derived from The London Stock Exchange Daily Official List, for the five business days immediately prior to the date of purchase and that stipulated by Article 5(1) of the Buy-back and Stabilisation Regulation 2003. The Directors do not intend to exercise the Company's power to purchase its own shares other than in circumstances where they believe this would result in an increase in earnings per share and be in the best interests of shareholders generally.

The Companies Act 2006 enables companies to hold any of their own shares they have purchased as treasury shares with a view to possible resale at a future date, rather than cancelling them. The Company holds no ordinary shares in treasury at the date of this Notice. Treasury shares would provide the Company with additional flexibility in the management of its capital base, enabling it either to sell treasury shares quickly and cost-effectively or to use the treasury shares to satisfy awards under the Company's employee share schemes. If the Directors exercise the authority conferred by resolution 15, they may consider holding the shares in treasury, rather than cancelling them.

THE BUSINESS OF THE AGM – EXPLANATORY NOTES *continued*

The total number of options to subscribe for ordinary shares that were outstanding at 24 March 2015 being the latest practical date prior to the publication of this Notice was 14,746,424. The proportion of issued share capital that they represented at that time was 0.98% and the proportion of issued share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 1.09%.

Resolution 16 – Notice period for general meetings other than AGM

The notice period required by the Companies Act 2006 for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period, which cannot however be less than 14 clear days (AGMs must always be held on at least 21 clear days' notice). At the Company's 2014 AGM, shareholders authorised the calling of general meetings other than an AGM on not less than 14 clear days' notice, and it is proposed that this authority be renewed. The approval, granted by resolution 16, if passed, will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed.

Note that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by this resolution will be used when, taking into account the circumstances, and noting the recommendations of the UK Corporate Governance Code 2014, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole.

Resolution 17 – Political donations and expenditure

The Company does not intend to change its current practice of not making donations to political parties in the European Union ("EU"). However, the Political Parties, Elections and Referendums Act 2000 ("PPERA") and the Companies Act 2006 contain restrictions on companies making donations or incurring expenditure in relation to EU political parties, other political organisations or independent election candidates. The PERA and Part 14 of the Companies Act 2006 define political parties, other political organisations and independent election candidates very widely and, as a result, it is possible that they may include, for example, donations to bodies concerned with policy review and law reform, with the representation of the business community or sections of it, or with the representation of other communities or special interest groups which it is in the shareholders' interest for the Company to support. Amongst other things, the PERA and the Companies Act 2006 prohibit the Company or its subsidiaries from making donations or incurring expenditure in relation to political parties, other political organisations or independent candidates in a 12 month period in excess of an aggregate of £5,000, unless such donations have been authorised by the

Company's shareholders. The Company is therefore seeking authority under this resolution up to £100,000 in aggregate in order to prevent an inadvertent breach of the PERA and the Companies Act 2006. As permitted under the Companies Act 2006, this resolution covers the Company and extends to all companies that are subsidiaries of the Company at any time the authority is in place.
